SPECIAL HOST AND EMCEE

MPO Pete Feigleson

Has graciously offered his comic services for this show!

Mike Diesel

Your first comic, **Mike Diesel** has been seen on Comedy Central and HBO's blockbuster series "The Wire". He has been performing standup comedy for over 2 decades. Mike's father, Detective Thomas Cuccherini unfortunately passed away in 2006, but retired in 1980 after putting 20 years in with the department! His brother is a retired Fairfax County Deputy living in Culpepper VA who served for 20 years as well.

Your second comic, **John Betz Jr.** caught the standup bug while he was performing in an Improv Troupe. He started his career in the Northern VA area but has moved on to Raleigh, NC. He is not just a mathematician that teaches Algebra. He taught in Fairfax County and worked closely with the police department in volunteering his time to teach at risk kids math and made it fun!

Alan Goodwin

Your third comic is considered by many to be the most likable comic performing on the circuit today. You may have seen him on his Antique Road Show ads. His positive energy and quick wit has made him a hit all over the country. **Big Al Goodwin** and his wife Trish spend a great deal of time and energy supporting the national Police Protection Fund!
